

MONTHLY Bee At L.P.

Classroom Name: Star

Month: October

Announcements

We are thrilled with the progress our students have made in phonics and reading. Many of them are already reading short vowel blends, words and readers we have introduced in class.

Important Dates

- October 26: Pumpkin Patch Field Trip
- October 30: The kids are invited to bring their Halloween costumes in for a trick-or-treating parade.
- October 31: Halloween Pajama & Movie Day

Reminders

- October means chilly mornings and evenings so don't forget to pack a jacket or sweater.
- We are looking for jars for an art project so if you have any that need to be recycled we would love to have them!

Focus of the Month

This month we will be studying body systems from our head to our toes. We will learn about our bones and how we keep them strong. We also will be implementing many exciting experiments as we learn about our five senses.
